The Wild Rose Herbal D-Tox has been used in Canadian clinics for over 30 years to provide a complete multi-system detoxification of the colon and kidneys; acts on the urinary tract and the gastro-intestinal system; and has an effect on the liver. The Herbal D-Tox program helps to keep a healthy balance of assimilation and elimination. Whether to stay in good health, to clear a congested system, or to use after over-consumption, a detoxification program can be an integral part of your continued health. For many, a D-Tox is the beginning of a new lifestyle, and a time for breaking unwanted habits.

Cleanse Smart™ is an advanced, 30-day, 2-part herbal cleansing program that promotes digestive regularity and helps eliminate waste and toxins.* It's ideal for those who experience occasional constipation.* The morning formula supports detoxification, while the evening formula promotes elimination.* Cleanse Smart is a gluten free program, and is guaranteed for quality, purity, and potency through expiration.
